

IN THE DISTRICT COURT OF APPEAL
FIRST DISTRICT, STATE OF FLORIDA

JAMES RICHARDSON,

Appellant,

v.

STATE OF FLORIDA,

Appellee.

NOT FINAL UNTIL TIME EXPIRES TO
FILE MOTION FOR REHEARING AND
DISPOSITION THEREOF IF FILED

CASE NO. 1D06-1270

Opinion filed May 14, 2007.

An appeal from the Circuit Court for Duval County.

Michael R. Weatherby, Judge.

Nancy A. Daniels, Public Defender, and M. J. Lord, Assistant Public Defender,
Tallahassee, for Appellant.

Bill McCollum, Attorney General, and Daniel A. David, Assistant Attorney General,
Tallahassee, for Appellee.

PER CURIAM.

James Richardson appeals the revocation of his probation for violation of conditions (4) and (8) of his probation terms. The record supports the circuit court's findings regarding these violations. Further, as to the report from the independent lab,

this court has rejected the argument, based on Crawford v. Washington, 541 U.S. 36 (2004), that such reports are inadmissible in revocation proceedings. See Peters v. State, 919 So. 2d 624 (Fla. 1st DCA 2006) (affirming revocation of community control, finding “testimonial hearsay” rule set forth in Crawford inapplicable to revocation proceedings, and certifying question of great public importance to Florida Supreme Court), review granted, 924 So. 2d 809 (Fla. 2006).

AFFIRMED.

BARFIELD, KAHN and PADOVANO, JJ., CONCUR.
